

AO High School Planning Sheet for: _____

This Planning Sheet includes ArchwayOnline's required high school credits. We recommend that students review specific recommendations consistent with their path/goals and any requirements relevant to their state or state colleges. It is the parent's responsibility to check with prospective colleges or post high school programs for admissions requirements and deadlines relative to specific courses.

22 Credits Minimum — 150 Hours = 1 Credit and 75 Hours = .5 credit

PATH RECOMMENDATIONS

COLLEGE 4 PATH

Designed for students planning to attend a 4-year university or college after high school. Check with the college/university of interest for admission requirements and build your plan based on those/courses. (DE = Dual Enrollment)

- **English Recommendations:** (English 9,10,11,12 or DE) Literature (Analysis, World, American, British) and Composition
- **Math Recommendations:** Algebra I, Algebra II, Geometry, or Integrated Math I-III, Pre-Calculus, Statistics or DE
- **Science Recommendations:** Biology, Chemistry, Anatomy & Physiology, Physics, or DE. Labs recommended.
- **Social Studies Recommendations:** U.S. History - 1 credit REQUIRED plus U.S. Government - .5 credit, Economics - .5 credit, World History/Geography, or DE
- **Elective Recommendations:** Foreign Language - 2 credits (Same Language), Visual/Performing Arts - 1 credit, Computer/IT-related — 1 credit

NCAA: In addition to following College4 recommendations, please reach out to your Academic Advisor in 9th grade or as soon as NCAA is considered a possibility.

COLLEGE 2 OR TRADE SCHOOL PATH

Designed for students wanting to attend a 2-year college, technical college/trade school, or enlist in the military. Check the requirements of programs of interest and build your plan based on those.

- **English Recommendations:** (English 9,10,11,12 or DE) Literature and Composition. Global: ESL accepted.
- **Math Recommendations:** Four (4) math credits of choice and must be taken in high school. Options include pre-algebra, Algebra I & II, Geometry, Integrated Math Path, Business Math, Computer Science.
- **Science Recommendations:** Biology plus two additional science credits of your choice.
- **Social Studies Recommendations:** U.S. History - 1 credit REQUIRED plus World History/ Geography, Civics/Gov't - .5 credit, or Current Events/Contemporary Issues. Global: U.S. History or the history of their home country.
- **Elective Recommendations:** Choose courses based on your goals and/or interests.

Plan for Change: Not all colleges, technical schools, or military require these specific courses for admission. These are general recommendations to allow for flexibility and also for potential changes in goals which may occur.

CAREER OR LIFE CHOICE PATH

Designed for those students seeking to follow a path that does not involve post high school education. This path is for students pursuing options including missions, entrepreneurship, or entering the workforce.

- **English Recommendations:** (English 9,10,11,12) English should include Reading, Writing and Grammar combined. Global: ESL accepted.
- **Math Recommendations:** Four (4) math credits of choice and must be taken in high school. Options include pre-algebra, Algebra I & II, Geometry, Integrated Math Path, Business Math, Computer Science.
- **Science / Social Studies / Electives Recommendations:** U.S. History is required. Choose other courses based on goals and/or interests. Global: U.S. History or the history of their home country.
